Through partnerships with local businesses, students can link their core curriculum with the world of work and develop skills, habits, and attitudes that will prepare them for future employment success. Students engaging in Career Awareness Program activities with these business partners can enhance their personal growth and gain assistance with making wise career choices. The Career Awareness Program is a natural partnership between the classroom and the workplace.

World Language

- Most colleges require 2 years of the same foreign language for college admissions.
- Some college majors require 4 years of the same foreign language.

For example: UNL Students in the following colleges/majors are REQUIRED to complete a foreign language sequence beyond the 2 years required in high school as part of their degree:

- College of Arts & Sciences (all majors)
 - Ie: English, Foreign Languages, History, Economics, Political Science, Psychology, Sociology, Actuarial Science, Biochem, Chemistry, Math, Meteorology, Microbiology, Physics, Environmental studies, Ethnic and Global studies, Aerospace studies, LGBTQ studies, and Racial justice
 - College of Journalism and Mass Communications (all majors)
 - Advertising, Broadcasting, Journalism, Sports Media & Communication
 - Hixson-Lied College of Fine & Performing Arts
 - (Bachelor of Arts and Bachelor of Music degrees)
 - College of Business
 - (International Business majors)
- A student who has completed four years of the same foreign language in high school is exempt from taking foreign language in college. (Saving time and money)
 - If you only have two years of the same foreign language, you will have to take a placement test which could take you back to Spanish I.
