CDDT
CUSTOM DIESEL DRIVERS TRAINING

[SIGN-UP TODAY](#) to join us Thursday, February 20th during 7th period

Please complete [THIS SHORT SURVEY](#) today during TA!

These surveys help determine what career awareness opportunities will be made available to EHS, ENHS, and ESHS students next school year. This is an opportunity for students to voice their opinion as to what career areas they want to see represented next year in regards to the Eat with the Expert events, Career Exploring, field trips/tours, etc.
